# Our Community Family

At First National Bank and Trust (FNBT), we treat our customers, employees, shareholders and communities like family. Through exceptional service and Sound Advice, our goal is to help all of our families succeed. Our employees are dedicated to building and supporting our local community family. We care about the community and the people in it because this is our home. We live here...we raise our families here... and we are committed to helping our friends and neighbors with all their financial needs right here in our hometown.

As a truly local, family-focused, community bank, FNBT is committed to the communities we serve by partnering with various educational, civic, and charitable organizations.

Our small-town values and passion for

the community drives everything we do at FNBT. We work alongside you, our neighbors and our family, to initiate projects and programs to improve the communities we serve. We support the spirit of this area, invest in our communities and its people as often, and at as many levels as we can, to enhance and energize the quality of life for all of us. We believe in doing what's right for our customer family and our community family.

For generations, First National Bank and Trust has earned a reputation as a bank that builds and values relationships. A bank with a strong legacy that truly cares for our customers, our people and our community. We are the bank that treats you like family.
